EXPERTS & LEADERS FROM SPACE INDUSTRY AT SPACE 2015 IN PASADENA - CALIFORNIA

CHALLENGES AFFECTING THE FUTURE

PARIS - LOS ANGELES, 03.08.2015, 17:10 Time

USPA NEWS - AIAA SPACE 2015 is the place where you'll find the latest scientific and technical research with events & technical programs featuring technical paper presentations. This year, the convention will be held from 31 August to 2 September, 2015 at Pasadena Convention Center, Pasadena, California.

The AIAA (The American Institute of Aeronautics and Astronautics) Space and Astronautics Forum and Exposition combines the best aspects of technical conferences with insights from respected leaders, providing a single, integrated forum for navigating the key challenges and opportunities affecting the future direction of global space policy, capabilities, planning, research and development, funding, security, environmental issues, and international markets.

The convention features more than 350 technical papers, and the best papers from researchers around the world. In addition, paper presentations will be made by experts in a broad range of disciplines. In Plenary & Forum 360 Sessions : panelists will talk about recent accomplishments, discover how those successes have been applied to today's programs, and explore future possibilities. It will be expected around 1,000 participants from more than 100 institutions in 21 countries & more than 350 papers reporting on the latest innovations in space.
